Conference Programme

8:00	Registration
9:00 – 9:30	Welcome by the sponsors and hosts
9:00	Mag. Ulli Sima, Executive City Councillor for the Environment
9:10	Dr. Klaus Kastenhofer, Executive Director GLOBAL 2000, Vienna
9:30 – 12:00	***OVERVIEW PRESENTATIONS IN PLENARY***
9:30 – 10:00	**Can today's nuclear energy contribute to climate protection?** *Energy scenarios and time lines for new reactor technology* *Dr. Martin Bursik, Environment Minister of the Czech Republic (tbc)*
10:00 – 10:30	**What is Generation IV?** *Concepts, safety evaluations, economic scenarios (Dr. Helmut Hirsch, independent consultant)*
10:30 – 11:00	Questions & Answers session
11:00 – 11:15	*COFFEE & CAKE*
11:15 – 12:00	**The next 30 years of nuclear power: The Generation III/IV dilemma** *Could new reactors come online in time? (Steve Sholly, Institute for Risk Research, University of Vienna)*
12:00 – 13:00	***PANEL DISCUSSIONS***
12:00 – 12:10	**Why we believe in fusion** *EU Commission, Directorate J-Energy Euratom (tbc)*
12:10 – 12:20	**Why we doubt fusion** *Dr. Wolfgang Liebert, IANUS (Interdisciplinary Research Group in Science, Technology and Security) – TU Darmstadt (Darmstadt University of Technology)*
12:20 – 13:00	Discussion
13:00 – 14:00	*LUNCH*
14:00 – 16:30	***WORKSHOPS 1–5***
WORKSHOP I	**Nuclear Fusion** *Expert: Ing. Antonia Wenisch, Austrian Ecology Institute* *Co-expert: Prof. Dr. Fritz Aumayr, Vice-Head Research Unit of the Austrian Euratom Association TU Wien*
WORKSHOP II	**Generation IV – Plutonium economy and proliferation risks** *Expert: Dr. Helmut Hirsch, independent consultant*
WORKSHOP III	**Current financial, economic and safety risks of nuclear power plants in a liberalised energy market** *Expert: Dr. Franco Romerio, University of Genoa, CUEPE*
WORKSHOP IV	**What is the impact on society of more nuclear power and more centralised energy systems?** Discussion on the socio-environmental point of view *Expert: Mag. David Reinberger, WUA-Vienna Ombuds-Office for environmental protection*
WORKSHOP V	**What is the impact of public funding and political support for nuclear energy on energy saving, efficiency and renewable energies?** *Expert: Antony Froggatt, independent consultant*
17:30 –	***PUBLIC DISCUSSION WITH EXPERTS AND POLITICIANS*** *(IN GERMAN ONLY)*
	"Die Kernfusion und neue Reaktormodelle – teure Steckenpferde oder Zukunftshoffnung?" *Eingeladen zum Diskutieren sind:* *Ing. Antonia Wenisch, Atomenergieexpertin Österreichisches Ökologieinstitut* *Johannes Voggenhuber, Mitglied Europäisches Parlament (tbc)* *VertreterIn Bundesministerium für Wissenschaft und Forschung (tbc)* *Prof. Dr. Fritz Aumayr, Vice-Head of Research Unit of the Austrian Euratom Association TU Wien* *Dr. Robert Buchacher, Leiter Wissenschaft der Wochenzeitung Profil* *DI Silva Herrmann, Atomreferentin GLOBAL 2000*

Registration Form

Please fax this form to +43 1 812 57 28, call us at +43 1 812 57 30
or mail the relevant information to office@global2000.at
Registration Deadline 25th October 2007

Title Mr ☐ / Ms ☐

First Name

Last Name

Institution / Organisation

Address

Postal Code / City Country

Telephone Fax

Email

I will take part in:

☐ Workshop I **Nuclear Fusion**

☐ Workshop II **Generation IV – Plutonium economy and proliferation risks**

☐ Workshop III **Current financial, economic and safety risks of nuclear power plants in a liberalised energy market**

☐ Workshop IV **What is the impact on society of more nuclear power and more centralised energy systems?** Discussion on the socio-environmental point of view

☐ Workshop V **What is the impact of public funding and political support for nuclear energy on energy saving, efficiency and renewable energies?**

Practical Information:

Venue: Rathaus Wien, Wappensaal, Lichtenfelsgasse 2, Feststiege 2, 1010 Wien
Date: 8th November 2007, registration 8:00, conference starts: 9:00
Conference language: English
Public discussion with experts and politicians in German only (starts 17:30)
Conference Fee: 20 Euros covering drinks and food during the day (to be paid at the conference)
